

APPLE TREE

PICKLEBALL

TREAT YOUR CLIENTS TO A PICKLEBALL OUTING!

Are you looking for a unique way to show appreciation to your clients for trusting you with their business? If so, a Pickleball Outing at Apple Tree is the perfect solution! Not only does Clubhouse Park at Apple Tree feature 3 brand new lighted Pickleball Courts, the Apple Tree Team can put together a custom package that includes Pickleball Instruction, fun-focused organized play, all paddles and balls, and a variety of customizable food and beverage options!

WHY PICKLEBALL?

Pickleball is the fastest growing sport in the United States for a number of reasons. First, the barrier to entry is low. Unlike more difficult sports like golf and tennis, new Pickleball players can learn the basics and enjoy the game in a short period of time. Second, Pickleball is highly social and inclusive. It's not unusual to meet several new friends your first time playing—regardless of playing ability. Third, it's more fun than going to the gym and walking on a treadmill! We all know Why not get some exercise alongside friends while having a great time? With all of these positive benefits, it's no wonder Pickleball is exploding in popularity.
